

THE BULLETIN BOARD

Notes from the St. Mary School Advisory Board

The Advisory Board met on Friday, February 12, 2010.

* The Open House was a success and 18 registration packets were distributed. Four families have registered as of the open registration date.

*Tuition rates for the new school year were discussed and more information to follow.

* Strategies for developing a system for bulk mailing and email distributions are underway.

* Spring social event is still under discussion we hope to get it in this year, but details need to be worked out

*We hope to work with PIE and pursue some creative mini-fundraising ideas they've come up with

*Advisory Board members are being tagged to lead associated Committee teams. We appreciate everyone who has volunteered for participation and hope to communicate to each of you in the coming month. If anyone is interested in committee participation or has a question regarding the committees, please email schoolboard@stmaryriverside.org or just contact a member of the Advisory Board. Committees will be where most of the "real work" gets done – all are welcome!

*The Advisory Board policy and bylaws will be reviewed by the Advisory Board and the resulting draft will be made available for review and comments, hopefully in the next month.

*We had a great guest turnout at the meeting. We received great input and were able to discuss a variety of issues and suggestions. Thank you parents! Our next meeting will be held on Friday, March 5 at 7 PM in the school library. Come and meet with us!
